

Inventory

- (A) What are you currently doing under each category with families?
- (B) What are the opportunities to build resources and services holistically with families?
- (C) How can you integrate resources into what you are doing?

Indicate which category by number:

- 1. Social Capital
- 2. Health and Well-Being
- 3. Economic Assets
- 4. Postsecondary and Employment Pathways
- 5. Early Childhood and K-12 Education

A.	B.	C.

Thinking about integrating disability into your existing plans to serve families, come to consensus on 2-3 priorities to focus on as a team

Priority 1:

Priority 2:

Priority 3:

For each priority begin planning to achieve your jurisdiction’s outcomes.

Priority 1:

Essential Strategies (What can you build on in your jurisdiction or what gap might you need to fill)	Responsibility (Who is responsible)	Resources (What are the <u>existing plans or activities</u> your jurisdiction can link to)	Outcomes (How will you know you achieved success in sustaining the essential activity)

--	--	--	--

Priority 2:

Essential Strategies (What can you build on in your jurisdiction or what gap might you need to fill)	Responsibility (Who is responsible)	Resources (What are the <u>existing plans or activities</u> your jurisdiction can link to)	Outcomes (How will you know you achieved success in sustaining the essential activity)

Priority 3:

Essential Strategies (What can you build on in your jurisdiction or what gap might you need to fill)	Responsibility (Who is responsible)	Resources (What are the <u>existing plans or activities</u> your jurisdiction can link to)	Outcomes (How will you know you achieved success in sustaining the essential activity)
